1. These Internal Regulations give effect to Articles 17 (The Zones) and 18 (The Organisation of the Zones) of the General Statutes.

ZONE CORE REGULATIONS

THE ZONES

2. FIBA has established the following five (5) Zones:
 - a. FIBA in Africa (hereinafter “FIBA Africa”);
 - b. FIBA in the Americas (hereinafter “FIBA Americas”);
 - c. FIBA in Asia (hereinafter “FIBA Asia”);
 - d. FIBA in Europe (hereinafter “FIBA Europe”); and,
 - e. FIBA in Oceania (hereinafter “FIBA Oceania”).

The national member federations of FIBA (hereinafter “NMFs”) are grouped by Zones as per the Annex to the General Statutes. The establishment of Zones, Sub-Zones or Sub-Sub-Zones by FIBA in no respect affects the direct affiliation of a NMF to FIBA.

3. The Zones are divisions of FIBA. They shall not be organised as legal entities and shall act only through the Regional Offices. The Regional Offices are managed by a chief executive officer (hereinafter “Executive Director”) as per Article 19 of the General Statutes and articles 5-57 to 5-59 of this Book 5. The Executive Director acts in the Zone on behalf of the Secretary General of FIBA.
4. The Zones have the mission set out in Article 17.6 of the General Statutes. In particular, they shall, within the framework established by FIBA, develop the sport of basketball, assist the NMFs in their development efforts and organise the relevant official competitions in their Zone.
5. The Zones exercise the authority delegated to them by the Central Board as per the General Statutes and Internal Regulations, including the present Zone Core and Complementary Regulations.

REGULATORY FRAMEWORK OF THE ZONES

6. The Zones shall fulfil their mission in accordance with:
 - a. The General Statutes and Internal Regulations, other rules and regulations as well as decisions of FIBA;
 - b. The Zone Regulations, namely,
 - i. The present Zone Core Regulations, which are part of the Internal Regulations (Book 5).
 - ii. The Zone Complementary Regulations, one for each Zone, which are part of the Internal Regulations (Book 5, Annexes 1 to 5); and,

iii. The Zone Competition Regulations.

In any event, the provisions of the General Statutes prevail.

7. The Zone Core Regulations and the Zone Complementary Regulations will enter into force after their approval by the Central Board. The Secretary General and the Zone Assemblies may also submit proposals for amendments.
8. The Zone Competition Regulations will enter into force after their approval by the Executive Committee, upon proposal by the Zone Board. The Secretary General may also submit proposals for amendments.

NMFs' PARTICIPATION IN THE ACTIVITIES OF THE ZONE

9. All NMFs assigned to a Zone are entitled to:
 - a. Take part in the Zone Assembly;
 - b. Make proposals for inclusion in the agenda of the Zone Assembly;
 - c. Propose candidates for the positions of Zone President and other members of the Zone Board;
 - d. Propose candidates for the Zone Committees;
 - e. Take part in the competitions organised within the Zone;
 - f. Take part and benefit from FIBA's and the Regional Office's assistance, development, and educational programmes organised at the Zone level;
 - g. Exercise all other rights arising from the Zone Complementary Regulations of their Zone; and,
 - h. Exercise all other rights arising under the General Statutes, Internal Regulations, other rules and regulations, and decisions of FIBA.
10. All NMFs assigned to a Zone shall observe the Regulatory Framework of the Zones (cf. article 5-5) and any decisions made in compliance thereof.

STATUS OF LEAGUES AND OTHER GROUPS OF CLUBS

11. The Zones shall comply with and ensure implementation of the provisions relating to clubs, other bodies and leagues, which are set out in the General Statutes and Internal Regulations.

The Zone President and/or the Executive Director may invite other persons to attend a Zone Assembly. Such persons shall have consultative powers only.

15. NMFs may be represented by their delegate(s) only, who must present a document signed by the President of that NMF attesting that they are delegates of that federation and that they hold an office in that NMF. Delegates may represent one (1) NMF only.
16. The Zone Assembly has the powers assigned to it by the General Statutes and the Zone Regulations, in particular to:

 18. Only matters proposed by the Zone President, the Zone Board, the Zone Executive (if any), the Executive Director, or the NMFs may be put on the agenda of a Zone Assembly, provided that these matters fall within the latter's powers. Proposals must be submitted in writing to the Regional Office at least sixty (60) days prior to the opening date of the Zone Assembly.
 19. The date and place for a Zone Assembly will be decided by the Zone Board upon proposal by the Zone President and the Executive Director and shall be submitted to the Executive Committee for approval.
 20. An elective Zone Assembly is held in the same year and no later than sixty (60) days prior to the FIBA elective Congress.
 21. Notice of a Zone Assembly is given by the Executive Director to the NMFs at least ninety (90) days before the first day of the Zone Assembly, specifying the date and place of the Zone Assembly and inviting NMFs to propose items for the agenda and, if applicable, to nominate candidates for the elections.
 22. Candidates for the position of Zone President shall meet the criteria established in Book 1, Chapter 10 of the Internal Regulations. The eligibility of the candidates is reviewed by the Nominations Panel in accordance with Book 1, Chapter 10. The Zone Complementary Regulations may set additional criteria.

 24. Nominations for the positions of Zone President and Zone Board member (accompanied by a one-page CV for each candidate) shall be submitted to the Executive Director no later than sixty (60) days prior to the first day of the Zone Assembly. The Nominations Panel does not make any recommendations on the candidatures received.

For the positions of Zone Board members, an ad-hoc Nominations Committee shall be established by the Executive Committee to review all nominations received within the deadline set out by the Executive Director. The ad-hoc Nominations Committee shall decide whether the candidates meet the eligibility requirements set out in these Internal Regulations. In addition, it shall make recommendations with respect to nominations taking into account the vision, skill and expertise that the nominated persons can bring to the Zone Board and to FIBA as a whole.

Decisions of the ad-hoc Nominations Committee may only be appealed to the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland.

26. The Executive Director shall distribute the agenda (including the list of eligible candidates for the various positions) no later than thirty (30) days prior to the opening day of the Zone Assembly.
27. Upon the request of one-third ($\frac{1}{3}$) of the NMFs assigned to the Zone with full rights or by decision of the Executive Committee or the Zone Board, an extraordinary session of the Zone Assembly shall be held within sixty (60) days of receipt of such a request by the Executive Director. The agenda of an extraordinary session of the Zone Assembly includes only those items specified in the request for such a session.

ANNEX V: COMPLEMENTARY CORE REGULATIONS - FIBA IN OCEANIA

ORGANISATION OF FIBA IN OCEANIA

The Bodies of FIBA in Oceania

1. FIBA in Oceania is comprised of the bodies set out in article 5-12 and also organisations officially recognised by FIBA in Oceania.

The Zone Assembly, Voting outside an Assembly, and the Zone President

2. In addition to the powers set out in article 5-16, the Zone Assembly has the power to grant the title of Honorary Zone President or Honorary Member and approve other FIBA Oceania awards, or to appoint a Patron from time to time of FIBA Oceania.

Voting between sessions of a Zone Assembly

3. Notwithstanding any other provision in these Complementary Core Regulations, if the Executive Director, with the concurrence of the Board, determines;
 - a) that a particular question (including but not limited to an amendment to these Complementary Regulations) requires a vote of the NMF's assigned to the Zone;
 - b) that it would not be in the best interests of the Zone to defer a decision upon the question until the next Zone Assembly; and
 - c) that it would not be practical to convene an Extraordinary Zone Assembly to consider the question,
 the Executive Director may put the question before the national member federations in the manner provided for herein.
4. A question to be decided pursuant to paragraph 5, below, will be transmitted to each national member federation by mail or electronic means. Each national member federation will have thirty (30) days from the date of transmittal in which to vote on the question. A vote may be cast by mail, fax, or e-mail. A vote will be deemed cast when it is received by the Executive Director within the thirty (30) day deadline.
5. A question will be decided in the affirmative if it has received the affirmative votes of three-quarters of the national member federations. The decision on the question will take effect immediately, unless the question itself provides for a later effective date. The Executive Director will promptly advise all national member federations of the results of the vote.
6. The Executive Director will report every question decided in the affirmative to the next elective General or Mid-term Zone Assembly.

Zone President

7. If, at the time of his election, the Zone President holds a position within an NMF assigned to the Zone, he must resign that position within seven (7) days and before taking up the position of Zone President.

The Zone Board

8. Refer also to article 5-33 to 5-41.

11. The Zone Board will designate one of its members as the Zone Vice-President; it will designate also one of its members to be the Chairperson of the Finance Committee and, in order to put it beyond doubt, nothing prevents the Zone Vice-President from holding the position of Chairperson of the Finance Committee.
12. Although the Zone Board may be elected at an elective Zone Assembly in the same year as FIBA's elective Zone Assembly, the term of office of the Zone Board begins on the first day after the closure of the FIBA elective Congress and ends on the last day of the next elective Congress.
13. The Zone Board will despatch its business, adjourn and otherwise regulate its meetings as it sees fit. The Zone Board may meet by telephone or by electronic means, and such meetings will have the same standing as meetings in person.
14. In the absence of a schedule of meetings decided by the Zone Board, the Zone President and Executive Director together will decide on the timing and place of Zone Board meetings, but the Zone Board must meet at least twice in each calendar year. Notice of meetings will be given by the Executive Director in such a manner to reasonably allow all Zone Board members and representatives of FIBA to attend the meeting.
15. Members of the Zone Board will normally be reimbursed for the cost of economy class international air fares and hotel room accommodations while attending meetings of the Zone Board. The Zone Board may provide for a per diem allowance to cover miscellaneous expenses incurred by members in travelling to and from and in attendance at meetings of the Zone Board.
16. The Board will make such Competition Regulations as it deems necessary and convenient to give effect to these Complementary Core Regulations and particularly with respect to the conduct of meetings, the duties of officers, the promotion of competitions and the conduct and management of the FIBA Oceania Championships and Tournaments. A Zone Assembly may make recommendations regarding the principles to be included in such Regulations.

Zone Committees

17. The Zone Finance Committee provided for in Article 18.1(g) of the FIBA General Statutes consists of a Chairperson (appointed according to article 11 above) and two other members drawn from within the Board, one of whom will be designated as the Committee Vice-Chairperson.

GENERAL PROVISIONS

22. These Complementary Regulations and the Competition Regulations made pursuant to them will be interpreted by the Board subject only to an appeal to the FIBA Appeals' Panel or, beyond that, to the Court of Arbitration for Sport (CAS) as provided for in the FIBA General Statutes.
